Technical Skills

- **Languages:** Java, JavaScript, SQL, Python.
- **Frameworks / Libraries:** Servlets.
- **Databases:** MySQL, Oracle.
- **Developer Tools:** Visual Studio, Eclipse IDE, Figma (Software), Arduino IDE, Git, Android Development.
- **Web/Operating System:** Windows, Linux.
- **Technical Proficiencies:** Data Structure and Algorithms, Object-Oriented Programming, Database Management System.
- **Soft Skills:** Leadership, Problem-Solving, Collaborative.

Education

Bachelor of Engineering in Computer Science *Pune*
R.M.D. Sinhgad School of Engineering, Savitribai Phule Pune University (SPPU) *June 2024 – present*
- Current SGPA: 8.09s

Diploma in Computer Engineering *Pune*
Zeal Polytechnic, Maharashtra State Board of Technical Education (MSBTE) *June 2022 – May 2024*
- Final Percentage: 89.18%

Industrial Training Institute in Electronics Mechanic *Pimpri*
Pimpri Chinchwad Municipal Corporation, ITI, National Council for Vocational Training (NCVT) *June 2019 – April 2021*
- Final Percentage: 78.43%

Secondary School Leaving Certificate (SSLC) *Chinchwad*
M. S. S. High School, Maharashtra State Board *June 2018 – March 2019*
- Final Percentage: 70.60%

Academic projects

Intellicharge – Smart Wireless EV Charging Station for Electrical Vehicle (view) *Jan 2025 – Mar 2025*

- Developed a wireless EV charging station with Android app control over Wi-Fi.
- Used ESP8266 microcontroller for communication between charging station and app.
- Ensured reliable operation using Java, XML, and embedded system integration.

Courses and Certifications

- Gained experience in building and deploying web applications using Java, Spring Boot, SQL and related technologies
- 6-week NPTEL certification on 'Foundations of Programming in C++' by IISc Bangalore

Achievement & awards

- Secured 1st place in the Sinhgad Pratikruti Project Computation 2025 among 50 teams at Sinhgad Collage, Pune.

Hobbies

- Participating in Java Tech Community events to discuss innovations and practical applications
- Collaborating with peers in the Java Tech Community to enhance problem-solving skills and discuss coding challenges.
- Prioritizing health with a dedicated 1-hour daily workout.
